**UPDATE: Repairs to Water Main Break on Eastbound Route 7 at Patrick Henry Drive  
Expected Within 2 to 4 Hours**

FALLS CHURCH, VA. – At approximately 3 a.m. on Wednesday, Nov. 1, 2006 a 6-inch cast iron water main break occurred on eastbound Route 7 at Patrick Henry Drive in Fairfax County. Repairs are expected to be completed and service restored to customers within 2 to 4 hours.

The two eastbound lanes of Route 7 near Patrick Henry Drive have reopened to traffic. The two eastbound curb lanes of Route 7 near Patrick Henry Drive are now closed to traffic while crews perform repairs.

At this time, customers on Patrick Henry Drive (from Route 7 to Ravenwood Drive) and Kilmer Court do not have water service. Customers on Squire Hill Drive and parts of Route 7 may experience low pressure.

An update will be provided when repairs have been completed.
